Cathleen Schultz has extensive experience in a range of regulatory compliance issues affecting cable and telecommunications companies.

Practice Highlights

- Regularly involved in client matters relating to the federal universal service fund, including fund contribution issues and the schools and libraries, rural health care, high cost and low income programs administered by the Universal Service Administrative Company (USAC)
- Has a comprehensive background in signal carriage issues affecting cable operators, including the compulsory license requirements of Section 111 of the Copyright Act and the FCC's must carry, network nonduplication and syndicated exclusivity rules
- Routinely assists clients with FCC reporting requirements, including regulatory fee filings, revenue reporting worksheets and other licensing-related filings

Additional Qualifications

- Paralegal, Cole, Raywid & Braverman LLP, Washington, D.C., 1987-2006

Education

B.A., English, James Madison University, 1987
Certificate in Paralegal Studies, James Madison University, 1987
