Tanea Foglia has extensive experience advising on the federal Universal Service Fund's (USF) programs. At DWT, Tanea assists clients with various federal and state regulatory matters related to these areas as well as other telecommunications and video compliance topics. Tanea spent 10 years at the Universal Service Administrative Company (USAC), where, among other things, she advised on relevant federal and state issues and served as the programmatic point of contact for audits and outreach. More recently she was Manager of Regulatory Affairs at John Staurulakis, Inc. (JSI), where she assisted rural wireline and wireless companies in various federal and state regulatory matters, including USF rule implementation, compliance filings and appeals.
